Petitioner Pro se

HILLMAN, District Judge

Petitioner Robert Edward Whiteside seeks to bring a petition for writ of habeas corpus pursuant to 28 U.S.C. § 2241. See ECF No. 1.

The filing fee for a petition for writ of habeas corpus is \$5.00. Pursuant to Local Civil Rule 54.3(a), the filing fee is required to be paid at the time the petition is presented for filing. Pursuant to Local Civil Rule 81.2(b), whenever a prisoner submits a petition for writ of habeas corpus and seeks to proceed in forma pauperis, that petitioner must submit (a) an affidavit setting forth information which establishes that the

petitioner is unable to pay the fees and costs of the proceedings, and (b) a certification signed by an authorized officer of the institution certifying (1) the amount presently on deposit in the prisoner's prison account and, (2) the greatest amount on deposit in the prisoner's institutional account during the six-month period prior to the date of the certification. If the institutional account of the petitioner exceeds \$200, the petitioner shall not be considered eligible to proceed in forma pauperis. L. Civ. R. 81.2(c).

Here, Petitioner has failed to include either the \$5 filing fee or a complete application to proceed in forma pauperis. He must submit either the \$5 filing fee or a complete application to proceed in forma pauperis for his habeas petition to be considered.

The Court also notes that the brief and exhibits appear to be missing some pages. The brief ends at page 9, but Petitioner's table of contents indicates there are at least 41 pages. See ECF No. 1 at 5. He also states that he has Exhibits A-F, but only Exhibit C appears to be included. Petitioner should resubmit a complete petition along with his filing fee or in forma pauperis application.

For the reason set forth above, the Clerk of Court will be ordered to administratively terminate this Petition without

prejudice.¹ The Clerk will be instructed to reopen this matter once Petitioner submits the filing fee or a complete in forma pauperis application. An appropriate Order will be entered.

¹ Such an administrative termination is not a "dismissal" for purposes of the statute of limitations, and if the case is re-opened pursuant to the terms of the accompanying Order, it is not subject to the statute of limitations time bar if it was originally submitted timely. See Houston v. Lack, 487 U.S. 266 (1988) (prisoner mailbox rule); Papotto v. Hartford Life & Acc. Ins. Co., 731 F.3d 265, 275-76 (3d Cir. 2013) (collecting cases and explaining that a District Court retains jurisdiction over, and can re-open, administratively closed cases).
